PREAMBLE—

In the Government Order dated 30th June 1969, cited first above, orders were issued spelling out the incentives that would be given to entrepreneurs starting new industries in Mysore State. It had, however, been noticed that clarifications were necessary on certain points.

2. The requisite clarifications were issued in the Government Order dated 25th November 1969 cited second above. In para 1(9) of the said Government Order, it was clarified, among other things, that where the Government of Mysore State Electricity Board have entered into agreements with Companies or firms to supply Power in bulk prior to 30th June 1969, and such units go into production subsequent to that date, the concessions shall not be applicable to such units.

3. The Director of Industries and Commerce has in his letter cited third above, requested for clarification defining and limiting the scope of the words "supply power in bulk" occuring in the Government Order dated 25th November 1969.

ORDER No. CI 84 FMI 72/BANGALORE, DATED 19th DECEMBER 1972.

It is hereby further clarified that the agreements to supply power in bulk, referred to in para 1(9) of the Government Order No. CI 172 FMI 69, dated 25th November 1969, mean any special agreements which might have been entered into by Government or the Mysore State Electricity Board to supply Power in bulk at special rates as has been done in the case of Industrial Units like the Aluminium factories which are power-intensive and use enormous quantities of power.

2. This Order issues with the concurrence of the Finance Department *vide* its U. O. Note No. FD 2067/CW-II/72, dated 24th November 1972.

By Order and in the name of the Governor of Mysore,

S. PUTTAIAH,
